

Kim Caddy

my plan

Welcome

Battersea is a place of opportunity – we have thriving community organisations, fantastic local businesses, beautiful green spaces and economic regeneration in many areas. I see first hand the benefits they bring to our diverse communities. My mission as your Conservative MP candidate is to make sure that prosperity and opportunity is available for everyone. I want the best for Battersea.

This document sets out my priorities if I am elected as your Member of Parliament on December 12th.

Kim Caddy

Housing opportunities for all

Conservatives

Kim's pledges

I will continue to lead the local effort to build more council homes, support tenants and get more residents on or up the housing ladder.

1

Tackling homelessness and rough sleeping by building 600 new homes for low/average earners on Council land

2

Supporting local tenants' rights by taking action against rogue landlords

3

Investing in Home Ownership to get more people onto the housing ladder

Improving housing

Tackling London's housing crisis

- ✓ Ambitious plans to build 1000 homes on Council land
- ✓ Fewest empty homes in London - 161 properties brought back into use over the last three years
- ✓ Dedicated home ownership team - 326 new local households on housing ladder

Transport that works for residents

Conservatives

Kim's pledges

I will keep up the pressure on TfL to make sure we have a safe and efficient transport network for our hard-working local commuters.

1

Protecting existing bus routes to give security to vulnerable local residents

2

Campaigning for more trains to Battersea Park Station

3

Working with residents and TfL to improve the Wandsworth one way system

Public Transport

Improving public transport

- ✓ Campaigned to save the No. 19 bus
- ✓ Northern Line Extension bringing two new tube stations to Battersea
- ✓ Protected frequency of trains to Queenstown Road Station

Protecting the environment for the next generation

Conservatives

Kim's pledges

I will prioritise improving air quality especially near schools, protecting Battersea's green spaces and promoting more green initiatives.

- 1** Becoming the greenest inner London borough, working together with local environment agencies
- 2** Carbon neutral by 2030 by engaging with local people and setting up local community schemes
- 3** Supporting plastic free initiatives and community clean ups

Local environment

Protecting our environment

- ✓ 'School street' trials to improve air quality outside local schools
- ✓ More than 700 electric vehicle charging points across the Borough - the most in London.
- ✓ Promoting community 'clean-up' initiatives such as Thames21

Ensuring regeneration works for everyone

Conservatives

Opening Workmatch
in Winstanley/York Rd with
Cllr Jonathan Cook

Kim's pledges

I will work with the community to boost investment in Battersea, delivering opportunity for everyone, including jobs, homes and local improvements.

- 1** Delivering jobs and prosperity for local people through WorkMatch
- 2** Investing in education, training and apprenticeships to get more young people into work
- 3** Improving broadband connection across Battersea to give residents the tools to work in an increasingly technological age

Regeneration

Creating jobs and prosperity

- ✓ Expansion of Work Match - a new office in the regeneration area, bringing over 100 more jobs
- ✓ Winstanley/York Road Regeneration bringing over £200 million to the local economy
- ✓ 20,000 new jobs through the regeneration of Battersea Power Station in Nine Elms

Creating the conditions for the local economy to thrive

Conservatives

Kim's pledges

Listening to local business owners, protecting our high streets and encouraging investment in Battersea.

1

Fighting for business rate reform

2

Getting more young people into work through apprenticeship schemes

3

Investing in our High Streets to increase footfall and boost local businesses

Local economy

Improving our local economy

- ✓ 1375 more businesses in Battersea since 2010
- ✓ National Living Wage increase to £8.21 in April 2019
- ✓ £900,000 revamp of Battersea High Street

Making communities SAFER

Kim's pledges

Be tough on crime - press for more police on the beat and invest in long-term prevention and community led initiatives.

1

Increasing police presence on local neighbourhood streets by pressing for more funding from central government

2

Tackling the causes of crime through long term investment in jobs, training and skills

3

Giving a clear message to drivers about the dangers of speeding to make our school streets safe for young children crossing the road

Law and Order

Keeping our residents safe

Recruiting 20,000 more police officers nationally

25% uplift in funding on Devas and Caius House, two popular youth clubs in Battersea

Imposing a 20mph Borough wide speed limit to make roads safer for pedestrians collisions
